"We hope everyone in the neighbourhood appreciates the enduring beauty of this magnificent building and feels welcome here."
— Rev. Dan Chambers

THERE IS A PLACE FOR YOU

Restored windows, improved lighting, a new antiphonal organ, accessible and adaptable spaces.

In these days marked by the coronavirus we see even more clearly the value of community, worshiping together and offering service to the world, just as church members and citizens of Vancouver have been doing from Nelson and Burrard since 1933.

Our Reconciliation Action Plan focusses on "living out our apologies." As a visible legacy of this work, we have engaged Squamish Nation master carver and distinguished artist, Xwalacktun, to create an installation for our narthex (lobby).

Your support is needed to help fund improvements – some visible, like enhanced lighting, accessibility features and a new antiphonal organ console, plus other enhancements literally holding up our walls that will soon be 100 years old!

We are also offering a special opportunity to sponsor a chair in the Sanctuary in your name, honour your family or as a tribute to a loved one.

We invite you to be part of the **Light in the Heart of the City!**

UNITED CHURCH

"Whoever you are, whoever you love, whatever your background, you are welcome here. With your help, St. Andrew's Wesley can be a place where God accomplishes abundantly far more than all we can ask or imagine."
— Rev. Dan Chambers

We invite you to participate in this historic moment and join our **Light in the Heart of the City Campaign** to invigorate vital community programming and address restoration needs.

OUR COMMUNITY

REFUGEES

St. Andrew's-Wesley has a long history of making meaningful contributions in easing the despair of persecuted men, women and families who no longer feel safe in their home countries:

15 refugees sponsored

Due to the global impact of the coronavirus there is a backlog of refugee families requiring our urgent support.

18 refugees assisted

At a cost per year of \$22,000 per person
\$34,000 per couple

LGBTQ2+

The equality and rights of all peoples are hard won, and that history is deeply important to St. Andrew's-Wesley's faith story and our story as Canadians. Spirit Pride Conference and our Word Is Out group offer a safe place to meet, learn, discuss issues of sexuality and faith for the LGBTQ2+ community and their allies. Our aim is to expand this program to other church communities in BC. Seed funding is required to share our model.

St. Andrew's-Wesley United Church is a registered charity. As allowable, contributions are tax-deductible.
