

COVID -19 BC Rules and Health Guidelines for Christmas 2020

ACT OF LOVE

I know that you are longing to be together with friends, family and those who bring your heart joy. This Christmas we must stay apart to show those we love how much we care. Plus, if you follow the BC Provincial Government's health guidelines, you will definitely end up on Santa's nice list.

How to keep a COVID Safe Christmas:

All December celebrations will look different this year. Celebrate with your immediate household or core bubble (2 selected people). Single people may host their core bubble in their home or go to the homes of people in their core bubble.

*** Note- The core bubble must remain the same and not be a rotation of 2 people. ***

- You must not host gatherings with people outside of your core bubble or household
- Do not look for loopholes or excuses to gather
- Consider hosting virtual parties and religious services
- Unwrap gifts over Zoom or Skype
- *Exception:* Grandparents who provide regular childcare for their grandchildren can spend time together over the holidays
- If you must travel for essential reasons, [review the health and safety precautions](#) below.

If you need to travel for essential reasons, take the same health and safety precautions you do at home.

- Wash your hands often, Wear a mask in indoor spaces, Practice safe distancing (2m)
- Travel only with yourself, household or pandemic bubble
- Stick to the outdoors whenever possible
- Clean spaces often
