

**Rev Rhian Walker** is the Co-Lead minister at St Andrew's Wesley United Church and is passionate about Spiritual Accompaniment. Listening to the still small voice within through silence, prayer, conversation, art or music is one of her favorite ways to support people in orienting their lives towards goodness, wholeness and meaning. She has had the great privilege of working with people who are going through transitions in their lives, and with people who work as activists, artists and healers who need to find ways to keep their cup filled as well. She has a Masters of Public and Pastoral Leadership from the Vancouver School of Theology, an MA in Philosophy, Religion and Literature from Sussex University and a BA in Philosophy and Creative Writing from University of Victoria. She is a singer and writer in her spare time, and has a great respect for the teachings of all religions and wisdom traditions.
